Each group has 8-10 minutes plus 3 more for questions (13 is absolute max!). You will be live-demooing your code, so make sure you select and practice the commands ahead of time so you do not lose time on the “demo effect”. Also, make sure you check out the projection equipment in Park 227 and make sure you can connect your laptop to it, or access your slides/software some other way.

Presentation order:
1. Elia Anagnostou, Zainab Batool, Linh Tran
2. Viktoria Braun, Lisa Hou, Linda Zhu
3. Yichuan Cao, Chen Fan
4. Vinty Guo, Kejing Wang
5. Aleena Maryam, Hayley Nolan, Duc Trinh
6. Faith Meacham, Laya Paladugu, Maria Vivanco
